

MK Clairvoyants (includes Healing the Soul Training)

Photograph Regulations and Procedures

As part of our activities and events, those attending can have their photograph taken to show participation in activities such as circles, for advertising purposes or for extra-curricular activities such as Christmas parties etc...

MK Clairvoyants does not permit photography or video recording within the centre, using cameras, mobile phones, or any video recording equipment this is constantly monitored and implemented by ourselves.

All photographs taken will be taken with the permission of the person and will only be put on advertising material or social media sites such as Facebook with the permission on the individual. If the person does not want their picture taken or has seen a photograph or image that they have seen and not given permission for, they can request for this to be deleted as well as all of its backed-up data i.e. social media, stored photographs.

MK Clairvoyants has a mobile phone on the premises used specifically for the purpose of the organisation and that individuals can contact during opening hours. In emergencies this phone number will be used. This phone remains on the premises, unless being taken out for external events. No photographs will be stored on the camera unless used for legal/safety purposes such as photos of damage or injury.
